ATTN: Office of Petitions
P O Box 1450

Honorable Commissioner:

This is a request for reconsideration of the Decision on Petition mailed July 24, 2007 that was based on the PTO not being able to read a credit card authorization form. Applicant now sets forth their Deposit Account Number below so that the correct fees will clearly be applied. The above-identified patent became abandoned for failure to pay Issue fees due 02/21/2007, as an unintentional error was made when calculating the fees. Petitioner requests that the Renewed Petition for Revival of abandoned application Under 37 CFR 1.137(b) be accepted.

Applicant further states that his lack of reply was:

1. Unintentional;
2. Filed upon receipt of the enclosed Notice of Patent Expiration,
3. Is accompanied by the Issue and Petition fees required and the Commissioner is hereby authorized to charge any appropriate fees under 37 CFR 1.16, 1.17 and 1.21 that may be required by this paper including any underpayments, and to credit any overpayment, to Deposit Account No. 504188 and
4. Issue Fee Transmittal Form PTOL-85.

Applicant and his Attorney further request that the Renewed Petition for Revival be accepted, and the patent be revived as an unintentional error occurred.

If there are further requirements, please contact the undersigned immediately.

Application No. 10/786,282
Filed: February 24, 2004
Attorney Docket No. UCF-388

DECISION ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed April 4, 2007, and resubmitted May 4, 2007, to revive the above-identified application.

The petition is **dismissed**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is not a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure to timely pay the entire issue fee on or before February 21, 2007, as required by the Notice of Allowance and Fee(s) Due, mailed November 21, 2006, which set a statutory period for reply of three (3) months. Accordingly, the application became abandoned on February 22, 2007.

The rules and statutory provisions governing the operations of the U.S. Patent and Trademark Office require payment of a fee on filing each petition to revive an abandoned application for patent based on unintentional delay or to accept an unintentionally delayed payment of a fee for issuing a patent. In this instance, the fee required by law is \$1,500. If applicant can qualify as a "small entity" and does so prior to or together with the payment of the fee, the fee will be one-half of the amount indicated. See 37 CFR 1.27.

The petition in the above-identified application was not accompanied by payment of the required fee. No consideration on the merits can be given that petition until the required fee is received.

Although the petition filed May 4, 2007 was accompanied by a Credit Card Payment Form (PTO-2038) for payment of the \$1,500.00 petition fee and \$400.00 unpaid portion of the issue

Application No. 10/786,202

fee, the credit card account # was illegible. Consequently, the required fees could not be charged to an account and remain unpaid.
